

Press Release

Infibeam Avenues conferred as 'Best Workplace of the Year' accolade at the Employee Experience & Engagement Awards 2019

Gandhinagar, 4th Dec, 2019: With a value-driven work culture along with robust implementation of employee-friendly policies, Infibeam Avenues Limited (BSE/NSE) has earned a reputation for being one of the most preferred organizations to work with. As a testimonial to this accomplishment, Infibeam Avenues was honoured with the 'Best Workplace of the Year' accolade at the Employee Experience & Engagement Awards 2019. Mr. Vivek Nayak, COO, Infibeam Avenues - Payment Services, along with Ms. Anshu Tripathi, Head - Human Resources, accepted the award on behalf of the company at the awards ceremony held in Mumbai on 4th December 2019.

Over the past two decades, Infibeam Avenues has significantly expanded its workforce at various office locations spread across several countries. And yet, it has successfully managed to retain its core people values viz. honesty, humility, humanity and hard work. While maintaining a family-like environment, the company also ensures that its employees follow the highest standards of professional life. With a combination of a positive and empowering organizational culture, diligent work process and top-of-the line infrastructure, Infibeam Avenues strives to offer a balanced work environment to its employees.

Speaking on this achievement, Mr. Vivek Nayak, Chief Operating Officer, Payment Services, Infibeam Avenues Limited, stated: "We put people over technology. People are surprised when they hear a Fintech company say this. Well, it is people that see opportunities and find solutions. It is people who harness technology to deliver those solutions and it is people who manage and nurture and bring to fruit the ideas that drive industry. Now you tell me which should come first?"

The Employee Experience & Engagement Summit and Awards characterizes the growing importance being placed on workplace culture through awards and recognitions across the globe. Employee engagement policies of organizations are rapidly evolving from merely providing benefits and compensations to aligning employee goals and vision with the overall organizational growth.

About Infibeam Avenues Limited

Infibeam Avenues Ltd. is India's leading B2B e-Commerce solutions provider and a listed Fintech company, offering end-to-end e-Commerce software solutions through the internet to small and large merchants, enterprises and the government. The company's 1 million+ clients include businesses across all major industry verticals in both domestic and international markets. Its web-based e-commerce solutions include SaaS based ERP platform with strong integrated back-office tools for building and managing online stores, digital payment services, logistics solution and more.
